PROFESSIONAL SUMMARY

B.Tech Computer Science Engineering student and Software Developer Intern at W3villa Technologies with hands-on experience building responsive web applications using React.js, JavaScript, HTML5, and CSS3. Experienced with Firebase/Firestore, Git/GitHub, and Vercel. Built Knowora, a sports matchmaking web application with authentication, profiles, match creation and joining, friends/follow, leaderboards, wallet functionality, and location-based match discovery.

EXPERIENCE

Software Developer Intern | W3villa Technologies

Jun 2026 – Present | Noida, India

- Contributing to web development projects and implementing responsive user interfaces.
- Developing and improving web applications using React.js, JavaScript, HTML5, and CSS3.
- Using Git and GitHub for version control, collaboration, and project workflows.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, Java, C/C++

Frontend: React.js, HTML5, CSS3

Backend / Data: Firebase, Firestore, SQL

Tools: Git, GitHub, VS Code, Vercel

Other: Responsive Web Design, REST APIs, OOPs

PROJECTS

Knowora – Sports Matchmaking Web Application | React.js, JavaScript, Firebase, Firestore, Vercel

- Built a React-based platform that helps users discover, create, and join sports matches.
- Implemented authentication, profiles, match creation/joining, friends/follow, leaderboards, and achievement badges.
- Integrated Firebase Authentication and Firestore for application data and user management.
- Added wallet/credits functionality with Razorpay test-mode integration and location-based discovery using OpenStreetMap/ geolocation.
- Deployed on Vercel: knowora-app.vercel.app

EDUCATION

B.Tech – Computer Science Engineering | Vishveshwarya Group of Institutions (VGI), AKTU

Aug 2023 – Mar 2027 (Expected) | CGPA: 7.0+

Class XII – CBSE | New St Mary Global School | 60%

Class X – CBSE | New Children Inter College | 72%

CERTIFICATIONS

- Introduction to Natural Language Processing – AnalytixLabs (2026)
- Advanced Excel – Microsoft (2024)
- Frontend Development – Innovation (2024)
- Big Data Fundamentals – CDAC (2024)
- C/C++ Programming – IIT Bombay Spoken Tutorial (2023)
